

# Welcome to our update for government departments

Friday 1 May

**AUDIT NEW ZEALAND**  
Māori: Arotake Aotearoa

**1. Is your organisation thinking about what the future looks like and planning for it?**

**3. Does your organisation have sufficient capability, capacity and commitment devoted to preparing for change?**

**2. What support structures do you have in place and what else do you need to put in place to encourage new ideas and future thinking?**

**4. How well does your organisation understand its risk picture and is it effectively governing and managing that picture?**
