

Improving public reporting

AUDIT NEW ZEALAND
Māori Arotake Aotearoa

A photograph of a stone wall. The wall is constructed from various types of stones, including large, flat, layered stones in the middle and smaller, irregular stones at the top. A single white daisy flower with a yellow center is growing from a crack in the lower right portion of the wall. The lighting is dramatic, with a strong light source from the left, creating deep shadows and bright highlights on the stones.

**Accountability, transparency and good
governance set the foundation for public
trust and confidence**

PARLIAMENT HOUSE.

TYRRE, PHO, NELSON.

Be not afraid of
growing slowly,
be afraid only
of standing still.

~Chinese proverb

“The more you leave out, the
more you highlight what you
leave in.”

Henry Green
